PART IVA
PROVISIONS REGARDING FOOD
(a) Registration and composition of food

21A.- (1) No person shall manufacture, import, distribute, sell or expose for sale pre-packaged food unless that food or food product has been registered by the Bureau.
(2) An application for registration of pre-packaged food or food product shall be made to the Bureau in a prescribed manner together with the prescribed application fees.
(3) The Bureau shall register any pre-packaging food or food product if it is satisfied that, the food or food product complies with prescribed standards and the manufacturing operations for such
food complies with the prescribed current Good Manufacturing Practice requirements.

(4) The Bureau may charge any applicant such costs as it may incur for the purposes of carrying out Good Manufacturing Practice as prescribed by the CODEX Alimentarius Commission, inspection or laboratory investigations prior to registration of any pre-packaged food or food product.

21B.- (1) The Minister may, after consultation with the Bureau, make regulations prescribing standards to be complied with by manufacturers with regard to the composition of food or its microbiological or chemical or physical standards.

(2) Without prejudice to the generality of the power conferred by subsection (1), the Minister may in the regulations-

(a) require, prohibit or regulate the addition to food or extraction from it of any specified substance or any substance of any specified category, or the use of any substance as an ingredient in the manufacture or preservation of that food;

(b) prohibit, restrict or regulate the importation, manufacture or sale, possession for sale, offer or exposure for sale or the consignment or delivery of food or any of its ingredients which do not comply with the regulations;

(c) prohibit or regulate the importation of any food which, in his opinion, is or
may be prejudicial to public health;

(d) prohibit, restrict or regulate the importation, exportation or use of any specified materials, or materials of any specified category, in the manufacture of apparatus or utensils intended for use in the manufacture or preservation of food;

(e) prescribe or provide for methods of analysis for the purpose of ascertaining the presence in any food, or the absence from it, of any specified substance or the quantity of any substance present in any food.

(3) Upon making regulations under this section, the Minister shall have regard to the desirability of restricting, so far as is practicable, the use in the manufacture of food or substances of no nutritional value as foods.

21C.-(1) A person shall not, with intent to cause food to be sold for human consumption-

(a) add any substance to the food, use any substance as an ingredient of that food in its manufacture or abstract any constituent from it; or

(b) subject the food to any other process or treatment so as, in any such case, to produce food of a quality below the prescribed standard, whether or not that food becomes injurious to health;

(c) if that food does not comply with requirements prescribed
by the Bureau.

(2) Subject to this section, a
person shall not distribute, sell or offer,
expose or advertise for sale for human
consumption or have in his possession for
the purpose of distribution or sale, any
food manufactured in contravention to
subsection (1).

(3) Where, in proceedings for an
offence under this section, it becomes
necessary to determine whether or not any
article of food is injurious to health,
regard shall be not only to the probable
effect of that article or on the health of a
person consuming it, but also to that
probable cumulative effect of articles of
substantially the same on the health a
person consuming those articles in
ordinary quantities.

21D.—(1) Any person who sells
any food which is not of the nature,
substance or quality of the food demanded
by the purchaser shall be guilty of an
offence.

(2) Where regulations made under
section 21B, contains provisions
prescribing the composition of, or
prohibiting or restricting the addition to
any food or the extraction from it, of any
substance, a purchaser of the food shall,
unless the contrary is proved, be deemed
for the purposes of subsection (1), to have
demanded a food complying with the
provisions of the regulations.

(3) In any proceedings for an
offence under subsection (1) it shall not
be a defence for the defendant to allege
that the purchaser bought for analysis or
examination and therefore was not
prejudiced.

(4) In this section, references to
sale shall be construed to sale for human
consumption.
21E.- (1) Any person who-
(a) distribute, sell, or offers or has in his possession for the purpose of distribution, sale or manufacturer for sale; or
(b) deposits with or consigns to, any person for the purpose of distribution or sale or manufacture for distribution or sale any food intended, but unfit, for human consumption, commits an offence.

(2) Where any food in respect of which an offence under paragraph (a) of subsection (1) has been committed, if the unfit food or food products was distributed or sold to the offender by some other person, that other person commits an offence.

21F.- (1) The provisions of sections 21E and 21G shall apply in relation to-
(a) any food intended for human consumption which is prize, reward or donation in connection with any to which the public are admitted, whether or not money, as if such food were or had been, exposed for person in the organization of the entertainment;
(b) any food intended for human consumption which is prize, reward, donation or given away for the advertisement, or in furtherance of any trade or business, food were or had been exposed for sale by the person giving it away;
(c) any food intended for human consumption which is deposited in any premises for the purpose of being given away as if the food were, or had been, exported for sale by the occupier of the premises.

(2) In this section, the expression “entertainment” includes any social gathering, amusement, exhibition, performance, game, sport, lottery or trial of skill.

(1) Any inspector may, at all reasonable times, examine any food intended for human consumption which has been distributed, sold or is offered or exposed for sale or is in the possession of, or has been deposited with or consigned to, any person for the purpose of distribution or sale or manufacture for sale, if it appears to him to be unfit for human consumption, may seize it and remove it in order to have it dealt with in a manner provided for in this Act.

(2) An inspector who seizes any food under subsection (1) shall inform the person in whose possession the food was found of his intention to have it diagnosed in a described manner.

(3) Where it appears to the inspector that any perishable food examined by him is unfit for human consumption he shall condemn the food and order destruction of the same or dispose of in a prescribed manner.

(4) Where it appears to the inspectors that any non-perishable food examined by him is unfit for human consumption he shall take that food to the court for further action, and if the court is satisfied that, that food is unfit for human consumption, the court shall condemn the
food and order its destruction in a prescribed manner, and if the court is not satisfied that the food is unfit for human consumption, it may order for further actions to be taken.

(5) Where the court orders for the destruction or disposal of any food which has been declared unfit for human consumption, that destruction or disposal shall be done at the owners cost.

21H.- (1) An inspector may seize, and cause to be disposed of in such manner as he may think fit, the carcass or any part of the carcass of any animal received into a butchery facility or cold stores for the purpose of sell for human consumption which on examination is found to be diseased or unfit for human consumption, and no compensation shall be payable to the owner for human consumption, and no compensation shall be payable to the owner of that carcass or any part of it.

(2) Where, in pursuance of subsection (1), any carcass or apart of it is seized by an inspector, he shall, before causing it to be disposed of record or cause to be recorded-

(a) a description or other particulars as will suffice to identify the carcass or part of it; and

(b) the grounds upon which the seizure was effected.

(3) For the purpose of this section, the inspector may deal with poultry, game and fish in the same manner as if the poultry, game and fish were carcasses or animals for slaughter.
(b) Importation

21I.-(1) No person shall, on or after the appointed day, carry on the business of an importer of food unless he is registered by the Bureau under section 21J as an importer of food.

(2) The Bureau shall cause to be kept and maintained in the prescribed manner a register containing—
   (a) the name of every registered importer of food;
   (b) the date of registration;
   (c) the kind or kinds of food in respect of which he is registered as an importer;
   (d) chemical composition, microbiological and physical status of the food he imports; and
   (e) such other particulars as the Bureau may, from time to time, prescribe.

(3) The provisions of section 21J shall be complied with by every person registered as an importer of food on every occasion he proposes to import food which was not included in his original application for registration.

21J.-(1) Every application for registration as an importer of food shall be addressed to the Director General and shall be in a prescribed form and manner.

(2) Upon receipt of an application for registration, the Director General shall, as soon as is practicable, proceed to consider the application and grant registration if he is satisfied that—
   (a) the composition of the food proposed to be imported is not of a quality below the specifications prescribed under this Act;
(b) importation and consumption of the food proposed would enhance or contribute in any other way to the national effort to improve the nutritional status of the people of Tanzania; or
(c) the food or its products and practices related thereto does not in any way contravene the provisions of this Act.

21K-(1) Without prejudice to any power of examining food conferred by this Part, any person authorized in writing in that behalf by the Bureau may give directions to the person in possession of any food which is imported for human consumption, prohibiting or restricting its removal or delivery-
(a) during any period of not more than seventy-two hours; and
(b) if within that period the authorized person so requires, until that person has notified the authorized person of the name of the person to whom, and the address to or at which, he proposes to send or deliver that food.

(2) Any person who fails to comply with any direction given under subsection (1) or who, in a notification under that subsection, knowingly makes any false statement, commits an offence.

(c) Milk, Milk Products and Milk Substitutes

21L-(1) The Minister may, after consultation with the Bureau and other institutions dealing with matters related to milk, milk products or milk substitutes and with such other person as he may
determine, make rules for the purposes of-

(a) regulating the addition to milk intended for human consumption, any water or colouring matter, or any dried or condensed milk or liquid reconstituted from condensed milk;

(b) regulating the extraction of any matter or substance from milk intended for distribution or stile for human consumption; and

(c) regulating in any other way the composition and other dealings in milk, milk products and milk substitutes.

(2) Rules made under this section shall be published in the Gazette.

21M.- (1) No person shall-

(a) sell, offer or expose for sale, for human consumption;

(b) use in the manufacture of food for sale for human consumption, the milk of any dairy animal which to his knowledge has tuberculous milk or is suffering from emaciation due to tuberculosis or from tuberculosis of the udder or any infection of the udder or teat which is likely to convey diseases, or from any comatose condition, any septic condition of the uterus, anthrax or any other zoonotic diseases so diagnosed; or

(c) sells, offer or expose for sale or use or use in the manufacture of food for human consumption the milk
from any treated dairy animal during its withdrawal period.

(2) Any person who contravenes this section commits an offence.

(3) In any proceedings under this section, an accused person shall be deemed to have known that a dairy animal was diseased, if he could with reasonable diligence have ascertained that fact.

(d) Premises for Slaughter of Animals and Sale of Meat

21N.- (1) No person shall use any premises for slaughter of animals or cause or permit any animal to be slaughtered with intent to supply, sell, offer or expose for sale meat for human consumption, unless that premises is registered by the Bureau.

(2) Any person who contravenes any of the provisions of this Act, commits an offence.

21O.- (1) The Minister shall, on advice of the Director General after consultation with the Minister responsible for livestock development, make regulations relating to premises for the slaughter of animals or birds and sale of meat for human consumption and may, by such regulations:

(a) prescribe the methods, instruments or appliances which may be used to carry out slaughtering;

(b) provide for and regulate the inspection of slaughter and butchery facilities to determine whether or not they are suitable for the intended purpose;
(c) provide for the disposal, treatment or processing of waste matters, refuse and by-products resulting from the slaughtering of animals or birds in slaughter houses;

(d) prescribe places and circumstances in which an animal or bird may be slaughtered in a place other than a slaughter house, and any action or actions to be taken in the event of every such slaughter;

(e) prescribe the manner in which carcasses and viscer are to be marked or labeled upon their being detained or seized in accordance with regulations made under this Act;

(f) regulate treatment and disposal of any animal, carcass or viscer, or any part of them, in relation to which a breach of this Act has been committed and the offender convicted;

(g) prescribe or provide for any matter in relation to slaughter and slaughter facilities which appears to him to be necessary for the proper maintenance of quality standards in respect of meat intended for human consumption.

(2) Regulations made under this section may require acts or things to be done to the satisfaction of a prescribed person and may empower a prescribed person to issue directions to any other person requiring acts or things to be done,
imposing conditions and prescribing periods and dates upon, within or before which such acts or things shall be done or such conditions shall be fulfilled.

(3) No regulation made under this section relating to any slaughter facility shall be so framed or construed as to deny to any religious community reasonable facilities for obtaining food, the flesh of animals or birds slaughtered by the method specially required by their religion.

(4) The Bureau shall, for the purpose of performing its functions under Sub-Part (d) of Part IVA of this Act, establish and maintain a system of consultation and cooperation with any person or body of persons, whose functions are related to those of the Bureau or whose participation or collaboration in the work of the Bureau is likely to advance the better and more effective furtherance of the objects specified under Sub-Part (d), and in particular the institutions responsible for the Hide and Skin Trade Act and the Animal Diseases Act.

21P.- (1) Subject to subsection (2), no person shall convey or cause to be conveyed any meat or meat product from a slaughter facility or cold store in any vehicle unless such vehicle has been approved in writing for that purpose by the Bureau.

(2) Subsection (1) shall not apply to the transport of meat or meat products in hermetically sealed containers or in other containers of a type approved by the Bureau.

(3) The Bureau or, as the case may be, an inspector designated for that purpose by the Bureau, may refuse to
approve any vehicle, tray or load-carrying part of which is not covered; or which has no proper provisions for preventing contamination or which is considered for any other reason to be unsuitable for the carriage or meat or meat products.

(4) Where at any time the Bureau considers that any vehicle approved under subsection (1) of this section has ceased to be suitable for carrying meat or meat products, it may revoke the approval of that vehicle.

(5) Any person who contravenes this section commits an offence and shall be liable on conviction to a fine of not less than one hundred thousand shillings or to imprisonment for a term not exceeding three months or to both such fine and imprisonment.

(e) Food Hygiene

21Q.(1) The Minister may, after consultation with the, Bureau make regulations designed to secure the observance of sanitary and cleanly conditions and practices and wholesome methods in connection with-

(a) the sale of food for human consumption; and
(b) the manufacture, transport, storage, packaging, marking, exposure for sale, service or delivery of food intended for human consumption.

(2) Without prejudice to the generality of the power conferred by subsection (1), the Minister may make regulations-

(a) prohibiting, restricting or regulating the sale, or storage, possession or exposure;
(b) impose requirements as to the construction, layout, drainage, equipment, maintenance, cleanliness, ventilation and extraction of fumes or heat, lighting, water supply and use of premises in, at or from which food for human consumption is manufactured or stored or sold, offered or exposed for distribution or sale;

(c) imposing requirements as to the provision, maintenance and cleanliness of sanitary and washing facilities in connection with those premises, the disposal of refuse and the maintenance and cleanliness of apparatus, equipment, furnishings and utensils used in such premises, and in particular, the regulations may impose requirements that every sanitary convenience situated in such premises be supplied with water through a suitable flushing appliance;

(d) prohibiting or restricting spitting on or, in any other way, littering premises where food for human consumption is manufactured or stored, or sold, offered or exposed for distribution or sale;

(e) imposing requirements as to the clothing to be worn by persons engaged to work in the house premises;

OBJECTS AND REASONS

The Bill proposes to enact the Finance Act, 2019. It provides for amendment of various tax laws with a view of bringing reforms through imposition of and alteration of certain taxes, duties, levies and fees. The Bill intends to enhance economic growth particularly on agriculture, manufacturing, employment and improvement in tax administration. Further, it proposes to amend other written laws with a view to enhance the collection, management of public revenues and improving business environment.

The Bill is divided into Ten Parts.

Part I of the Bill provides for preliminary provisions.

Part II of the Bill proposes to amend the Airport Service Charge Act (Cap. 365). The aim is to provide for the requirement of filling a monthly return to the Commissioner General to ensure proper record of collections by agents are kept and made available to TRA for accountability and audit.

Part III of the Bill proposes to amend the Excise (Management and Tariff) Act, (Cap 147). The purpose of the proposed amendments is to reduce excise duty on locally produced wine by using locally grown fruits other than grapes from the current excise duty rate to encourage local production of wine and enhance voluntary tax compliance. Further, it proposes to introduce excise duty on imported and locally produced human hair for the purposes of expanding tax base and increase government revenue. Furthermore, the amendment propose an excise duty of ten percent on tubes pipes and hoses, and fittings (such as thereof joints, elbows, flanges) of plastics.

Part IV of the Bill proposes to amend the Income Tax Act, (Cap. 332). The amendment intends to reduce corporate tax rate for newly established entities dealing in the manufacture of sanitary pads from thirty to twenty five percent for two five consecutive years from the 1st July 2019 for purposes of attracting investment and promoting employment. Further, the amendments intends to exempt withholding tax on fees and other charges, charged on loans to Government issued by
non-resident banks and financial institutions. The amendments also intends to raise the current turnover for persons required to prepare annual financial accounts from twenty million to one hundred million, as well as, introducing three point five percent income tax payable by presumptive taxpayers with annual turnover of above fourteen million shillings to one hundred million shillings. Furthermore, the amendment intends to relieve small vendors and service providers with annual turnover of less than four million shillings from paying income tax.

Part V of the Bill intends to amend the Port Service Charge Act (Cap. 264) with a view to provide for the requirement of filling a monthly return to the Commissioner General with a purpose of ensuring proper record of collections by agents are kept and made available to TRA for accountability and audit.

Part VI of the Bill intends to amend the Road Traffic Act (Cap. 168). The aim is to extend the period of renewal of driving licence from three years to five years.

Part VII of the Bill intends to amend the Standards Act (Cap. 130). The amendment intends to provide for inspection, registration of food and cosmetics premises, premises for slaughter of animals and sale of meat, registration and composition of food, importation of food, milk products and milk substitutes, and food hygiene, prohibition of manufacture and sale of certain cosmetics and penalties against the manufacture, import, sale or distribution of cosmetics contrary to the requirements under the Act with the view to control safety and quality of foods and cosmetics.

Part VIII of the Bill intends to amend the Food, Drugs and Cosmetics Act, Cap.219 with a view to repeal all provisions relating to control of standard of safety and quality of food and cosmetics. In so doing, the Tanzania Food and Drugs Authority will continue to regulate drugs, medical devices and diagnostics.

Part IX of the Bill propose to amend the Tax Administration Act (Cap.438) in order to include the definition of terms “fiscal device” and “fiscal receipt” for tax purposes and recognize receipts issued by
Finance Act

Government Electronic Payment Gateway (GePG) as fiscal receipts acceptable for tax purposes.

Part X of the Bill provides for amendment of the Value Added Tax Act (Cap.148). The intention is to provide tax exemptions on importation of agricultural inputs to persons engaged in horticulture. Further, it proposes to exempt grain drying equipment for purposes of minimising storage costs and promoting grain production. Furthermore, the proposed amendments intend to zero-rate the supply of electricity from Mainland Tanzania to Tanzania Zanzibar.
